

IVAN LEOW
PLAYER OF THE YEAR

TERMS AND CONDITIONS

1. Ivan Leow Player of the Year (POY) is a program independent from any other related poker rankings.
2. Triton Poker Series reserves all the rights to the formula created for the purposes of the POY program.
3. In order to join the POY competition, you must participate in Triton Poker Super High Roller Series live tournaments.
4. The length of the season is determined by number of events. In the current season there will be four Triton Poker Super High Roller Series stops. In case of another qualifying event being added to the ongoing POY season – players and public will be informed about it at the earliest possible time, approximately two months in advance.
5. Triton Poker Series reserves the right to amend the number of stops or extend the length of the season if a cancellation of an event occurs due to force majeure.
6. Players are not allowed to pass their own POY points to others at any circumstances.
7. Any Triton Poker Series tournament deals being made between players will be kept separately from the POY program and will not affect the POY point system presented in the chart below. In case of a deal heads up or any multiple player deal, where the game is discussed to be finished immediately, the remaining players will need to play for the POY points in a fair game agreement approved by the TD.

8. Restricted buy-in tournaments will not assign any POY points.
9. Any tournaments/events added to the schedule and/or any tournaments that will have their structures/buy-in changed may or may not be considered for the POY program. If any of the above occur, Triton Poker Series reserves the right of the Tournament Director's discretion. This will be announced on time to all players with the sole criteria of fairness of the POY program towards players.
10. Triton Poker Series reserves the right to allocate extra POY points to players who will participate in tournaments with a charity status, that are non-invitational and open to all.
11. Any Triton ONE tournaments with \$10,000 buy-ins or more will count towards both the Triton Poker Super High Roller Series POY and the QQPK Player One leaderboards.
12. The POY formula has been constructed based on the following criteria:
 - Finishing place (points)
 - Buy-In amount (multiplier)
 - Total number of entries, including re-entries

Additionally:

- **REGISTRATION ON TIME** - all players that register to a tournament before the start and join the game within the first level will be rewarded with 2 additional points and will be multiplied based on the below chart.
